

FISCAL YEAR 2024-25 BUDGET

MISSION STATEMENT

To efficiently provide dependable drinking water delivery and wastewater collection services to Vandenberg Village residents, with a commitment to customer service.

CAPITAL BUDGET

The capital budget expenditures are presented in the following categories:

- **Capital Replacement** – Replaces existing equipment, infrastructure, or facilities.
- **Capital Improvement** – Builds upon or improves existing equipment, infrastructure, or facilities.
- **Capital Outlay** – Purchases or constructs new equipment, infrastructure, or facilities.

The capital budget is funded by reserves.

**Vandenberg Village Community Services District
Water and Wastewater Capital Budget Summary
Fiscal Year 2024-25**

CAPITAL IMPROVEMENT PLAN

Builds upon or improves existing equipment, infrastructure, or facilities.

There are no current budget requests for Capital Improvement.

CAPITAL REPLACEMENT PLAN

Replaces existing equipment, infrastructure, or facilities.

Security Systems **\$25,000**

Replace the security systems that were installed in 1999 at the Shop Building and the Booster Building in conjunction and compatible with the security system at the new Administrative Office Building. There have been increasing problems with malfunctions and false alarms with the current system. Surveillance systems are also being installed where applicable.

SCADA Upgrade **\$102,000**

Replace the SCADA operating system purchased in 2007 with updated software. Current ClearSCADA software is being replaced by Geo SCADA Expert software and will no longer be supported.

SCADA Computer **\$10,000**

Replace the SCADA computer purchased in 2014 with updated equipment.

Fence and Gate Repair-Site #1 **\$26,250**

Repair fencing at Site #1 which includes moving the west fence out to the property line.

Sewer Main Replacement **\$163,000**

Replace cracked and deteriorated sewer line and three manholes from Constellation Road to Apollo Way constructed in 1960.

**Vandenberg Village Community Services District
Water and Wastewater Capital Budget Summary
Fiscal Year 2024-25**

Raise Two Offsite Manholes* **\$27,000*

Raise offsite manholes #O18 and #O24 which were buried when the old sewer plant was removed in 1978.

***Filter Rehabilitation Project* **\$600,000**
*(Capital Improvement Plan Item)***

Rehabilitate the original filter system designed in 1978. This project will install all new piping, valves, and improved filter media. The existing pumps were replaced or rehabilitated in 2002; the 62 filter laterals were replaced in 2007; and the filter media was last replaced in 2015. This project will also add a backwash pump and motor to increase the efficiency of the backwash system. Additionally, this project will eliminate the need for sodium bisulfite but will add a requirement for sodium permanganate. As a result, chemical costs should decrease slightly.

***Golf Course Valve Project* **\$18,400**
*(Capital Improvement Plan Item)***

Replace critical gate valves which are no longer functional, located in the easement on the golf course.

***Ford F-150 Pickup Truck* **\$64,000**
*(Capital Improvement Plan Item)***

Replace Unit #18 F-150 pickup truck purchased in 2017. Vehicles are on an 8-year replacement schedule.

Computer Workstations (2 each)* **\$2,500*

Replace two outdated office computers according to a scheduled replacement plan.

**Vandenberg Village Community Services District
Water and Wastewater Capital Budget Summary
Fiscal Year 2024-25**

CAPITAL OUTLAY PLAN

Purchases or constructs new equipment, infrastructure, or facilities.

Land Lease - Future Replacement Well Site **\$250,000**
(Capital Improvement Plan Item)

Fund preliminary work such as a cultural resources study, biological assessment, and environmental documents to obtain a future well site for the eventual replacement of the District's three wells which are now 36-46 years old. To date, \$22,816 has been collected from developers for this project.

Floradale Bridge Transmission Line Construction **\$2,250,000**

VVCSD has 100% capacity rights for the interceptor transmission line which was replaced during the the renovation of the Floradale Bridge. This transmission line carries our sewage to the Central Avenue treatment plant.

Trencher **\$28,200**

Purchase trailer-mounted equipment to cut the street and dig a trench when accessing service lines for repair.

Solar Carport **\$150,000**

Install a carport with solar panels to provide electricity to the administrative office.

SCADA Tablets **\$3,875**

Purchase five computer tablets with keyboards for the field crew to access the SCADA system.

RESERVE GOALS FISCAL YEAR 2024-25

OPERATING BUDGET

The operating budget expenditures are presented in two categories:

- **Water Fund**
- **Wastewater Fund**

The operating budget is funded by rates.

Vandenberg Village Community Services District Water and Wastewater Operating Budget Summary Fiscal Year 2024-25

Below is a summary explanation for each category of the proposed operating budget for the water and wastewater enterprise funds. Although each fund is a separate budget and the funds may not be commingled, they are described together in the summary to better represent the operating activities of the District. More detailed information on each line item is available in the District Office for review.

OPERATING REVENUES

The proposed water and wastewater revenues reflect no changes in rates.

Water revenues are projected by using an average number of active customers for a calendar year and five-year historical average water consumption. Since revenue projection is based on historic performance, actual revenue could be better in some months and worse in others.

Wastewater revenues are projected by using an average number of active customers. The fees collected are fixed monthly charges; therefore, actual performance varies from budget projection primarily due to residential vacancies.

LRWRP revenues are projected by using the number of wastewater connections. The fees are collected through the annual property tax statement and are fixed annual charges.

For FY 2024-25, staff estimates a net **water reserve** contribution of \$466,085, a **wastewater reserve** contribution of \$255,970, and a **LRWRP reserve** contribution of \$295,294.

NON-OPERATING REVENUES

Interest Earnings are budgeted for the District's investment accounts with the Local Agency Investment Fund (LAIF), Santa Barbara County Treasury; money market account at Mechanics Bank; and Wastewater

**Vandenberg Village Community Services District
Water and Wastewater Operating Budget Summary
Fiscal Year 2024-25**

Capital Reserve Fund (WCRF) at the City of Lompoc based on the following projections:

	December 2022 Interest Rate	December 2023 Interest Rate	FY 24-25 Projection
LAIF	2.07%	4.00%	3.50%
Santa Barbara County	0.82%	2.26%	1.75%
California CLASS	4.19%	5.54%	5.00%
Money Market	2.78%	4.07%	3.50%
WCRF	0.21%	No report	0.75%

OPERATING EXPENSES

In general, operating expenses that are not exclusive to the water or wastewater funds (insurance, utilities, office supplies, administrative expenses) are allocated at 50% water, 50% wastewater. Payroll for non-exempt field staff is charged to the fund in which the work is performed. Therefore, allocation is based on historical payroll accounting.

The following are significant expenses in the budgets:

Source of Supply (Wells) – Budget includes \$4,500 for USGS Groundwater Monitoring; \$20,000 for SYRWCD pump taxes; \$4,500 for Cloud Seeding; and \$40,000 for the estimated expenses for the Sustainable Groundwater Management Act (SGMA) projects and grant administration.

Pumping (Boosters) – Budget includes \$322,200 for purchased power, \$75,000 to inspect and repair all three pumps for Booster Station #1, and \$10,000 for filter project SCADA programming.

Water Treatment – Budget includes \$18,000 for AB2995 SWRCB Water System Fees, \$159,000 for chemicals, and \$10,000 for water sample testing.

**Vandenberg Village Community Services District
Water and Wastewater Operating Budget Summary
Fiscal Year 2024-25**

Wastewater Treatment – Budget includes \$600,000 for wastewater treatment costs.

WCRF – This item represents the District's portion of capital improvements to the Lompoc Wastewater Reclamation Plant and VVCSD has little control over the annual capital expenditures. We budget \$50,000, an average of historical annual expenditures. The District earns interest on the WCRF balance of \$742,642 which offsets a portion of the wastewater reclamation plant capital expenditures.

LRWRP Debt Service – Budget includes the annual SRF payment of \$741,091. This represent the District's portion of the LRWRP debt service obligations.

Transmission and Distribution – Budget includes routine maintenance and contingencies.

Wastewater Collection – Budget includes \$25,000 to repair minor wastewater main problem areas as discovered by camera van. Major repairs will be included in future capital budgets.

Customer Accounts – Budget includes merchant account fees for customer electronic payments as well as printing and postage costs for monthly bills.

Insurance – Cost includes general liability, cyber liability, and property casualty insurance.

Administrative and General – Budgeted administrative and general costs include \$30,490 for contract services, \$5,000 for legal counsel, and \$12,050 for employee travel expense.

Director's Expense – Budget includes \$20,430 for director's travel expenses and \$9,195 for director's compensation which includes the approved change effective December 2024.

**Vandenberg Village Community Services District
Water and Wastewater Operating Budget Summary
Fiscal Year 2024-25**

Depreciation – Budget depreciation assumes new capital assets purchased in January. All assets are depreciated for the full month beginning the first month of ownership.

Although there is no cash outlay for depreciation expense, the VVCSD Board of Directors adopted Resolution 229-24 on March 5, 2024 that directs staff to set cash aside based on depreciation expense and establish rates to provide sufficient cash to fund this depreciation expense in order to fund a replacement reserve for replacing capital equipment. The same direction to staff was previously provided in 2006 by Resolution 176-06 and in 1994 by Resolution 99-94 as the District’s resolutions regarding the Reserve Policy have been rescinded and replaced.

The Board is aware that the LRWRP charge does not fully fund the depreciation associated with that asset and has directed staff to remain at the current level of funding as there is a sufficient balance in wastewater reserves to fund upcoming projects for the near future.

Salaries and Benefits – Many factors affect salaries and benefits in the FY 2024-25 budget which has resulted in an increase of \$96,050 from the FY 2023-24 budget. The projected employee salaries and benefits for working hours are:

Water fund	\$1,039,119	(FY 2023-24: \$ 942,800)
Wastewater fund	\$ 528,632	(FY 2023-24: \$ 528,900)
Total	\$1,567,751	(FY 2023-24: \$1,471,700)

Budgeted salaries increased \$37,552. This includes a 4.3% economic adjustment for all employees, longevity pay for employees with 15+ years of seniority, and the temporary addition of an additional field employee. The budget also assumes that employees who are not at the top of their pay scale will receive at least one merit increase.

Budgeted benefits increased by \$58,498. The additional cost for paid benefits such as insurance, retirement, etc. represents 71.45% of the

**Vandenberg Village Community Services District
Water and Wastewater Operating Budget Summary
Fiscal Year 2024-25**

total base salary the District pays its employees. The new employees are budgeted at the highest level of health premiums for this budget.

The table below shows a historical comparison of actual salaries to budget (does not include paid benefits such as holiday, sick, and vacation):

Fiscal Year	Notes	Total Budgeted Salaries	Total Actual Salaries	Variance From Budget
20-21	2.40% economic adjustment minus six months of 4 th field employee	743,200	788,861	+45,661
21-22	1.7% economic adjustment less six months of Service Person II plus six months of Service Person I	771,000	717,584	-53,416
22-23	5.5% economic adjustment	791,600	782,332	-9,268
23-24	5.5% economic adjustment less CSR II Step 5 plus CSR I Step 1	833,900	816,987*	-16,913
24-25	4.3% economic adjustment plus longevity pay plus temporary additional field employee less Finance Administrator Step 5 plus Financial Services Manager Step 2 plus General Manager salary reduction	871,252
